

# Medical Confirmation Form

Date of issue

Use this form to provide medical confirmation and ensure your account is registered for life support with us and your distributor. We'll disclose your personal information (including health information) to your distributor and field vendors to manage your life support registration. If you don't provide us with the information in this form we may deregister your premises as requiring life support equipment, and you'll lose the protections available to life support customers.

If your electricity or gas is supplied by another provider, please ensure they are aware of your Life Support requirements. RAA Energy is responsible only for the energy type you have chosen to supply through us.

**You must send your completed form to us by:**
